Décision n° 2019-0772
du président de l'Autorité de régulation des communications électroniques et des postes
en date du 21 mai 2019
autorisant diverses entités à utiliser des fréquences assignées à titre temporaire pour leur réseau radioélectrique indépendant du service mobile

Le président de l'Autorité de régulation des communications électroniques et des postes ;

Vu le code des postes et des communications électroniques (ci-après CPCE), et notamment ses articles L. 41 à L. 43, R. 20-44-5 à R. 20-44-11 et D. 406-5 à D. 406-17 ;

Vu le décret n° 2002-775 du 3 mai 2002 pris en application du 12° de l'article L. 32 du code des postes et télécommunications et relatif aux valeurs limites d'exposition du public aux champs électromagnétiques émis par les équipements utilisés dans les réseaux de télécommunication ou par les installations radioélectriques ;

Vu le décret n° 2007-1531 du 24 octobre 2007 instituant une redevance destinée à couvrir les coûts exposés par l'État pour la gestion de fréquences radioélectriques ;

Vu le décret n° 2007-1532 du 24 octobre 2007 modifié relatif aux redevances d'utilisation des fréquences radioélectriques dues par les titulaires d'autorisations d'utilisation de fréquences délivrées par l'Autorité de régulation des communications électroniques et des postes ;

Vu l'arrêté du 24 octobre 2007 modifié portant application du décret n° 2007-1532 du 24 octobre 2007 relatif aux redevances d'utilisation des fréquences radioélectriques dues par les titulaires d'autorisations d'utilisation de fréquences délivrées par l'Autorité de régulation des communications électroniques et des postes ;

Vu l'arrêté du 14 décembre 2017 modifié relatif au tableau national de répartition des bandes de fréquences ;

Vu la décision n° 2015-1160 de l'Autorité de régulation des communications électroniques et des postes en date du 29 septembre 2015 portant délégation de pouvoirs, telle que modifiée en dernier lieu par la décision n° 2017-0383 du 21 mars 2017 ;

Vu la décision du président de l'Autorité de régulation des communications électroniques et des postes en date du 26 septembre 2018 portant délégation de signature pour les décisions prises en vertu des articles 1er et 2 de la décision n° 2015-1160 du 29 septembre 2015 modifiée de l'Arcep portant délégation de pouvoirs ;

Vu les demandes présentées par les entités mentionnées dans l'annexe à la présente décision ;

Décide :

Article 1. Les entités citées dans l'annexe jointe sont autorisées à utiliser les fréquences qui y sont mentionnées, pour l'exploitation de leur réseau radioélectrique indépendant du service mobile, dans les conditions précisées dans la présente décision et son annexe.

Article 2. La présente autorisation d'utilisation de fréquences radioélectriques à titre temporaire est attribuée à compter des dates de début, jusqu'aux dates de fin telles que définies en annexe.

Article 3. La présente décision ne dispense pas de la délivrance d'autres autorisations requises pour la mise en place et l'exploitation des liaisons, notamment de l'accord mentionné à l'article R. 20-44-11 (5°) du CPCE, ainsi que de l'accord de la coordination internationale des fréquences aux frontières mentionné à l'article R. 20-44-11 (8°) du CPCE.

Article 4. Les titulaires de la présente autorisation d'utilisation de fréquences radioélectriques sont assujettis au paiement des redevances de mise à disposition de fréquences radioélectriques et de gestion, selon les modalités fixées par le décret n° 2007-1532 du 24 octobre 2007 modifié susvisé.

Article 5. La directrice Mobile et Innovation de l'Autorité de régulation des communications électroniques et des postes est chargée de l'exécution de la présente décision qui sera notifiée aux titulaires.

Fait à Paris, le 21 mai 2019,

Pour le Président et par délégation

Jean-Luc STEVANIN
Chef de l'unité gestion des fréquences
